How to place an order: Quick guide

Complete the following 5 steps to build your order online and then email it to us.
Most orders take no longer than a few minutes to complete.

1 Add your product/s

Enter a product code.
OR
Select a category and then a range.

2 Choose your options & accessories

This includes configuration, finishes, benchtops, basins and handles (if applicable). Select any add-on accessories and select the quantities.
(Required fields are marked in red)

3 Enter your details

Add your store name, contact and email plus your purchase order number.

4 Save or complete your form

Save as a draft for a quote (no PO required).
OR
Complete the order form to generate the required Order Form Number (OFN).

5 Final Step: Email us your purchase order

Quote your Order Form Number (OFN) and email your purchase order to: orders@adpaustralia.com.au

Top tips:

- Download the PDF and save for your records.
- Once completed, you cannot make changes.
- Need to ammend an order? Give our team a call.
- Different purchase orders must have different OFN's.
